

Eventcover Education Limited

Equal Opportunities Policy

1. Introduction

Eventcover Education recognises that it is essential to provide equal opportunities to all persons without discrimination. This policy sets out the organisation's position on equal opportunity in all aspects of employment, including recruitment and promotion, and provides guidance and encouragement to employees at all levels to act fairly and prevent discrimination on the grounds of sex, race, marital status, disability as defined by the Disability Discrimination Act 1995, part-time and fixed term contract status, age, sexual orientation or religion.

2. Definition of Discrimination

(a) Discrimination can be direct or indirect. Both forms of discrimination must be avoided.

(b) Direct discrimination occurs when one person is treated less favourably than another on grounds relating to sex, race, marital status, age, disability, sexual orientation or religion.

(c) Indirect discrimination occurs where a requirement is imposed which can be complied with by a smaller proportion of persons of a particular sex, race, marital status, disability, age, part-time or fixed term contract status, sexual orientation or religion, than persons in another group and which is not objectively justifiable in the given situation. Examples include:

- seeking job applications only from persons under 27 years of age and with five years' post-graduate experience;
- demanding technical qualifications for a job which are not strictly necessary;
- sending only full time employees on training courses.

3. Statement of policy

(a) It is the policy of Eventcover Education to ensure that no job applicant or employee receives less favourable treatment on the grounds of sex, race, marital status, disability, age, part-time or fixed term contract status, sexual orientation or religion, or is disadvantaged by conditions or requirements that cannot be shown to be justifiable. The organisation is committed not only to its legal obligations but also to the positive promotion of equality of opportunity in all aspects of employment.

(b) Eventcover Education recognises that adhering to the [Equal Opportunities Policy](#), combined with relevant employment policies and practices, maximises the effective use of individuals in both the organisation's and employees' best interests. The company recognises the great benefits in having a diverse workforce with different backgrounds, solely employed on ability.

(c) The application of recruitment, training, and promotion policies to all individuals will be on the basis of job requirements and the individual's ability and merits.

(d) All employees of the organisation will be made aware of the provisions of this policy.

4. Recruitment and promotion

(a) Advertisements for posts will give sufficiently clear and accurate information to enable potential applicants to assess their own suitability for the post. Information about vacant posts will be provided in such a manner that does not restrict its audience in terms of sex, race, marital status, disability, age, part-time or fixed term contract status, sexual orientation or religion.

(b) Recruitment literature will not imply a preference for one group of applicants unless there is a genuine occupational qualification which limits the post to this particular group, in which case this must be clearly stated.

(c) All vacancies will be circulated internally.

(d) All descriptions and specifications for posts will include only requirements that are necessary and justifiable for the effective performance of the job.

(e) All selection will be thorough, conducted against defined criteria and will deal only with the applicant's suitability for the job. Where it is necessary to ask questions relating to personal circumstances, these will be related purely to job requirements and asked to all candidates.

5. Employment

(a) Eventcover Education will not discriminate on the basis of sex, race, marital status, disability, age, part-time or fixed term contract status, sexual orientation or religion in the allocation of duties between employees employed at any level with comparable job descriptions.

(b) Eventcover Education will put in place any reasonable measures and/or adjustments within the workplace for those employees who become disabled during employment or for disabled appointees.

(c) All employees will be considered solely on their merits for career development and promotion with equal opportunities for all.

6. Training

(a) Employees will be provided with appropriate training regardless of sex, race, marital status, disability, age, part-time or fixed term contract status, sexual orientation or religion.

(b) All employees will be encouraged to discuss their career prospects and training needs with their Line Manager.

7. Monitoring

(a) It is the responsibility of the Directors to ensure that all aspects of this policy are kept under review and are operated throughout the organisation.

(b) Where it appears that applicants/employees are not being offered equal opportunities, circumstances will be investigated to identify any policies or criteria which exclude or discourage certain employees and, if so, whether these are justifiable.

8. Grievances and victimisation

(a) Eventcover Education emphasises that discrimination is unacceptable conduct which may lead to disciplinary action under the organisation's Disciplinary Procedure.

(b) Any complaints of discrimination will be pursued through the organisation's Grievance Procedure.

**Equal Opportunities Action Plan
Academic year 2017-2018**

Given our current contracts with Employers and JCP Eventcover Education are committed to the following objectives:

Objective	Action	Progress / Outcome
<p>More females to apply for Apprenticeships and work at the NEC</p> <p>This has been a specific request from the Employer to enable their operation to run more effectively.</p>	<p>With the links we have with the Job Centre, JCP and Destination Work (Birmingham City Council project) our staff will emphasise the positive career routes available to females within our sector.</p> <p>We will explore the possibility of a female only DS course highlighting the job roles available and hopefully taking away the barriers & minimising the stereotyping seen in this industry.</p>	
<p>All trained SIA deliverers must be kept informed of new SIA procedures & the change from QCF to RCF</p>	<p>This will be done during the next standardisation session following the SIA websites training materials</p>	
<p>OCS have an ageing staff who have stayed with the company for a number of years. They struggle to recruit a younger workforce. We need to help introduce younger people to the careers available with OCS at the NEC.</p>	<p>With the new facility at the NEC now finalised and staffed, we can begin to offer a Traineeship programme. This will be used to introduce younger potential staff to working at the NEC for OCS. This will also lead onto the current Customer Service Apprenticeship scheme based at the NEC.</p>
