

## Eventcover Education Safeguarding Policy

We will ensure that all Eventcover's employees, and those who undertake work on our behalf, maintain a proper focus on safeguarding children and young people and that this is reflected both in sound individual practice and our internal policies and guidance. All permanent and contracted staff working with children and young people must:

- give highest priority to children's welfare
- recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people
- respond appropriately to disclosure by a child, or young person, of abuse
- respond appropriately to allegations against staff, other adults, and against themselves
- act appropriately during inspection and understand safe practice in carrying out their duties
- be alert to the risks which abusers, or potential abusers, may pose
- be aware of the importance of the role of inspected services in promoting the welfare of children and
- contribute as necessary to all stages of Eventcover's safeguarding and protection processes.

Eventcover will ensure that it fulfils its responsibilities to work jointly with others to safeguard and promote the welfare of children and young people and, where necessary, to help bring to justice the perpetrators of crimes against children.

Eventcover ensures recruitment follows best practise in Safeguarding:
